Experienced, creative, well-rounded, and hard-working interactive multimedia designer / developer

PROFESSIONAL EXPERIENCE

- 11/2006 - Present **Freelancer** *Multimedia Designer / Developer*
Currently a full-time freelance developer, consulting with several companies in the area to develop a wide range of multimedia projects and online applications. Clients include: Snap Fitness, ThisClicks, Puny Entertainment, Ecliptic Technologies, Echo Creative, and many smaller companies.
- 9/2008 - 5/2010 **ThisClicks.com** *Multimedia Designer / Developer*
Employed after several months of freelance work developing / designing websites and interactives with a variety of technologies including Flash / Flex, Wordpress, Drupal, PHP, XHTML, CSS, 3DS Max, After Effects, Flash Media Server, and various other technologies.
- 2/2006 - 11/2006 **Travelnet Solutions** *Web Developer / Designer*
Worked with a team of 5 developers helping to create a web based (PHP / MySQL) solution for resort owners to completely manage their property online. Redesigned, programmed, and developed multimedia for resortsandlodges.com. Instructed employees on proper updating techniques.
- 8/2005 - 2/2006 **Warehouse Intellect** *Multimedia Developer*
Lead multimedia developer specializing in Flash based e-learning interactives. Led a team of three junior developers in creating custom applications and teaching proper coding strategies.
- 1/2005 - 8/2005 **Plato Learning** *Multimedia Developer*
Working closely with writers and illustrators to develop a large scale e-learning system for K-12 students across the nation.
- 4/2002 - 1/2005 **The Catalyst Group llc.** *Web / Flash Developer*
Started as a Web developer, and 3d graphics producer. A position that provided me with a wide range of experience, because of the variety of projects we were involved with. Acquired strong PHP and Flash experience.

EDUCATIONAL BACKGROUND

- Minnesota State University Moorhead** Bachelor's Degree - Graphic communications with multimedia emphasis
Acquired a Graphic Communications degree at Minnesota State University Moorhead with honors. Studied many fields of programming and new media including animation, 3d graphics, web design, and classical art.
- University of North Dakota** 2 years – Commercial Pilots Training
Attended University of North Dakota working on a degree in Commercial Aviation. Active member of the prestigious Student Flying Team. Achieved SEL Certification, and twenty hours instrument training.
